- editor * _____
- main language version _____
- other _____

* Only names of people who confirmed their participation in the project should be put down. If no one has confirmed their participation in a given role, **vacat** should be put down next to that position)

V. Cast of the main roles with actors' names (in case of documentaries – names of the people playing main roles) from Krakow, if they participate in the project*:

* Only names of actors who confirmed their participation in the project should be entered, otherwise *vacat* should be put down next to the role, and if the casting will be conducted, the name of company should be entered. Note! If the film does not include actors or in case of documentaries people depicted, such information should be entered above.

VI. Short description of the film:

VII. Realization timeframe:

Phase	From (format: D:M:Y)	To (format: D:M:Y)
Initial phase / development		
Preparation phase		
Shooting		
Edition and sound engineering		
Final works		

Planned date of the master copy creation:

Planned date of premiere:

VIII. Places of realization:

- Leading producer’s production base _____
- laboratory _____
- Shooting:

Place (city)	Number of days	Number of days in Krakow

Objects and locations characteristic for the region (Krakow)*:

* fill in, if already chosen (including number of days in a given location), if not – please describe planned locations and objects, and put a note saying it is still not decided upon.

Participation of local contractors (e.g. companies, hired professionals)*:

* fill in, if already chosen. If not – please entered the names of planned entities and mark them as planned / still looking for.

IX. General costs:

Note! The data concerning film production costs listed in this position should be consistent with the data from film production’s estimated budget – which should be attached as Attachment 5 to this application, and with letters of intent from co-producers – which should be attached as Attachment 7 to this application.

	PLN	%
Total estimated cost of production:	100
Requested amount of financial support in the 1st competition for support of international co-productions
Declared amount of applicant’s own resources*: a. financial contribution b. contribution in-kind
Declared amount of money from other sources: (In this position, a grand total of all financial contributions should be entered, and in cells 1-3 it should be broken down depending on the source)
1. from other public funds: (e.g. Polish Film Institute - PISF)

2. from resources of entities and institutions not financed by state (e.g. co-producers, TV broadcasting companies, distributors, who participate financially): a. Co-producer: (name): b. Co-producer: (name): c. Co-producer: (name):
3. from other sources (list them) e.g. EURIMAGES, MEDIA:

*Note! The type of applicant's own resources should be specified and described whether it is financial or mixed – financial and in-kind. The participation of in-kind contribution cannot be higher than 95% of the grand total of applicant's own resources. If contribution in-kind is a part of applicant's own resources, a specification of contribution in-kind containing a detailed description and calculation of this resource should be attached to the film's budget (i.e. every element of the contribution in-kind should be described and its market value should be estimated). If financial contribution is declared, the Krakow Festival Office may request bank's opinion about the company's account.

If the budget is planned in currency other than PLN, please fill in the following table:

Currency	Exchange rate date	Exchange rate

X. Artistic values and economic tasks:

1. Artistic value of the project:

2. Cognitive and aesthetic value of the project, its importance to the consolidation of a positive image of Krakow:

3. The amount spent in Krakow:

4. Use of locations characteristic for Krakow:

5. Connection to Krakow through subject, creators, and especially the filming location:
